Chateau Mouton-Rothschild, Pauillac

Flickinger Wines is delighted to welcome to Chicago Erwan Le Brozec, sales and export manager at Baron Philippe de Rothschild, to introduce the wines of Bordeaux First Growth, Chateau Mouton-Rothschild. This remarkable estate is responsible for some of the most compelling wines to be made in Bordeaux over the past century, and is the only producer to be promoted from its original status since the original classification of left bank properties in 1855. In addition to showing four vintages of the Grand Vin covering four decades, we will also be pouring Aile d'Argent, the white wine of Mouton-Rothschild, and the second wine, Le Petit Mouton. We are also delighted to report that Erwan will be bringing with him some very fine examples of Chateaux Clerc Milon and d'Armailhac, which form part of the Baron Philippe de Rothschild stable.

We take great pleasure in hosting this special event at Michelin-starred restaurant, Sepia, where Chef Andrew Zimmerman's seasonal menus showcase the very best of locally-sourced ingredients. Chef will be creating a special four-course menu to accompany the wines being poured.
