

Burgundy Dinner:
Blair Pethel of Domaine Dublère

Blair Pethel

Flickinger Wine is proud to welcome Blair Pethel of Domaine Dublère to Chicago to share his portfolio of outstanding red and white Burgundy. An American transplant, Blair began his love affair with Burgundy in the late 1980's, and in 2003 he moved to Beaune with his family to pursue his lifelong passion of making wine. Having apprenticed under some of the best winemakers in Burgundy, Pethel has a true talent for producing wines that are quintessential examples of Burgundian finesse. His wines are consistently pure, gorgeous expressions of their terroir, and his emphasis on using the most natural winemaking methods available means the true flavor and character of each wine shines through.

Allen Meadows (Burghound): "For those readers who may not be familiar with the Dublère wines, stylistically the wines are ultra-pure with very little makeup; indeed in many cases none is noticeable. Do yourself a favor and try an example or two and you'll see what I mean."
